

PUBLIC SAFETY ADVISORY COMMITTEE MEETING NOTES

September 22, 2005

Present:

Ray Bryan – Historic Milwaukie Neighborhood Association

Dolly Macken-Hambright – Linwood Neighborhood Association

Susanna Pai – Lake Road Neighborhood Association

Gene Covey – Lewelling Neighborhood Association

The meeting was called to order at 6:18 p.m.

Dolly discussed the LPSCC (Local Public Safety Coordinating Council) meeting she attended today regarding reopening the McBrod Residential Center - it is transitional housing for people re-entering the populace directly from jail. The proposal is for 34 beds. Ten percent of the residents can be Category 9 and 10 offenders.

Dolly asked if anyone had looked over the work plan.

- We have completed as much of the Traffic Management Plan as we can. We are waiting to hear back from Paul Shirey.
- Officer and citizen recognition – gift certificates were suggested since the American Legion no longer holds a dinner for Officers of the Year. It was suggested that perhaps we could find a local restaurant that would be willing to host a dinner. Ray will check around for a location.
- Citizen's Academy – already in progress.
- Youth Activities/Police Activities League – Gene suggested partnering to provide bicycle helmets – the TSP used to do that. Jill will check with PD.
- Neighborhood awareness – keep as is.
- Education – keep as is.
- Fielding problems/questions – keep as is.
- Intersections – this will be tabled for now – refer to TMP...
- Annexation – leave as is.

Ray asked if there is a disaster plan in Milwaukie – how are citizens notified? This will be brought up at the next NDA meeting. It was agreed to add the disaster plan to the work plan – and have a person from the County come to one of our meetings. (The Chief said he would address this issue at the November meeting)

Dolly asked if everyone had read the minutes from the previous meeting. Gene made a motion to accept the minutes. Ray seconded the motion. Passed unanimously.

The meeting was adjourned at 7:12 p.m.

The next meeting is scheduled for October 27, 2005.
